Hello TODD CIANFROCCA

Replace a non-working or faulty sensor

Each CGM manufacturer has a replacement process to help improve their products. Follow these steps to get a replacement.

- Do NOT throw away your damaged or non-working sensor
- **Freestyle Libre** CGM users, contact **Abbott** Customer service at **855-632-8658**, or [CLICK HERE](#) for **Abbott's** online replacement form.
- **Dexcom G7** CGM users, contact Dexcom Customer service at **888-738-3646**, or [CLICK HERE](#) for **Dexcom's** online replacement form.
- Ask for expedited delivery and REFUSE a pharmacy coupon as it will require a new RX from your doctor.

Hello TODD CIANFROCCA

Order ship date: **04/15/2025**

Tracking #: **2558412584448872**

Hello TODD CIANFROCCA

See my supply order status

You're a bit too early as Acentus can't ship your order just yet. Your insurance requires you to authorize the next resupply no more than 10 days prior to your next ship date to prevent

Next order auth date: **04/28/2025**

You will receive an email and/or text message on **04/28/2025** asking you to authorize your next resupply order.

Next order ship date: **05/08/2025**

Hello TODD CIANFROCCA

See my supply order status

Hold on, Acentus can't ship your next order just yet. Your insurance requires us to collect your office visit notes every 6 months to assure you still need a CGM for your diabetes care plan. We have not received those updated notes.

Next visit notes due: **04/25/2025**

We will contact XXXXXX XXXXXXXXXX to request your visit notes. You may also want to contact them at **813-555-1212**

Next available order ship date: **04/18/2025**
